

Member Online Tools

Easy one-stop access to YOUR information

Open Internet Explorer and enter www.healthscopebenefits.com
Click "Member".

Enter the Group ID or Employer Group name.
The next page displayed will be specific to the group information entered. Click on the "Claim Status" under "Member Self Service" to access the login page.

Enter the appropriate User Name and Password to access member information. Or click on "New Member Registration" to create a new account.

Hold the cursor over "Member Services" in the tool bar to display a drop down menu of additional options.

Several options are available from the Member Dashboard:

1. **Current Coverages** – displays current plans and any changes in history
2. **Recent Claims** – displays claim history
3. **Benefits Used** – displays dollar amounts paid per category per benefit year and overall lifetime maximum utilized
4. **Quick Links** – allows the user to request a duplicate identification card (Request ID Card) or review demographic information (View Personal Information)
5. **Wellness Activities**—displays current wellness activity completion.
